

28<sup>th</sup> March 2023.

Rajeev Kukreja.  
KTC India.

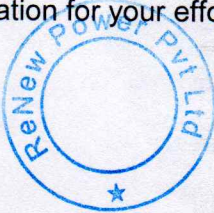

I want to take the time to thank you for the fantastic job you have been doing for managing the London's Board Meet from past few years. You made everyone feel relaxed and we have already received a good feedback from Mr. Ashish Jain and team. Thank you for all your hard work, commitment, and invaluable contributions to this company.

A number of our Senior management had expressed to me their appreciation for the one-on-one assistance and support you've provided them. All the team members have uttermost confidence in your leadership skills, and I am so happy to see you yield so much success.

There is still plenty of achievable lined up for the next year, and I am sure that we will keep up with our excellence.

Keep up the excellent work.

With deep appreciation for your efforts,

Abhimanyu Singh.
